## DEPARTMENT OF COMPUTER SCIENCE AND ENGINEERING

Department of Computer science and engineering, established in the year 1998 with  40 Students ,  has  grown by leaps and bounds and mellowed  into  a paramount  department   with more than 600 students    . The department is very instrumental  in  offering  quality  education  to  the  students  with  its  phenomenal infrastructure and contemporary choice based curriculum.

**CSE department was awarded as "The Most Vibrant Department for the Odd Semester (2015-16)" on 26.01.2016**

The  department  houses  40 accomplished  faculty  members  with  rich  domain expertise  and have reputed publications to their credit . They are actively engaged  in expanding  the intellectual horizons of the students through distinguished-lecture series, interactive teaching methods, research activities  and innovative projects .

The department has consistently produced the highest number of placements in top software companies including product based companies such as Amazon , Zoho, Owler , Vuram , Infoview etc.. The department is always at the forefront in the pursuit of academic excellence and produced considerable number of university ranks both in UG as well as PG Programmes.

**Mock Interview conducted by our Alumni from TCS,CTS,HCL,etc.,**

**2016-2017 Placement Starts with ZOHO!!!**

The department conducts various programmes such as international conferences, seminars , workshops , technical symposiums , technical contests etc throughout the year and runs different clubs such as Mobile Application Development ,Programming Club , OSI Club and Google Apps Club , thereby providing a conducive environment for the students to nurture their skills on multiple facets . Consequently, our Students ardently compete in various such events organized by other institutions and grossed many laurels .

**Students actively Participated in various professional club Activities**

**Seminars, Workshop and Guest Lectures organized by our Department**

**Xplore 2K16 – Technical symposium was organized on 15.02.16 - Mr. K.Rajasekar, Global Delivery Head,TCS, Chennai**
